

# SIZE KEY

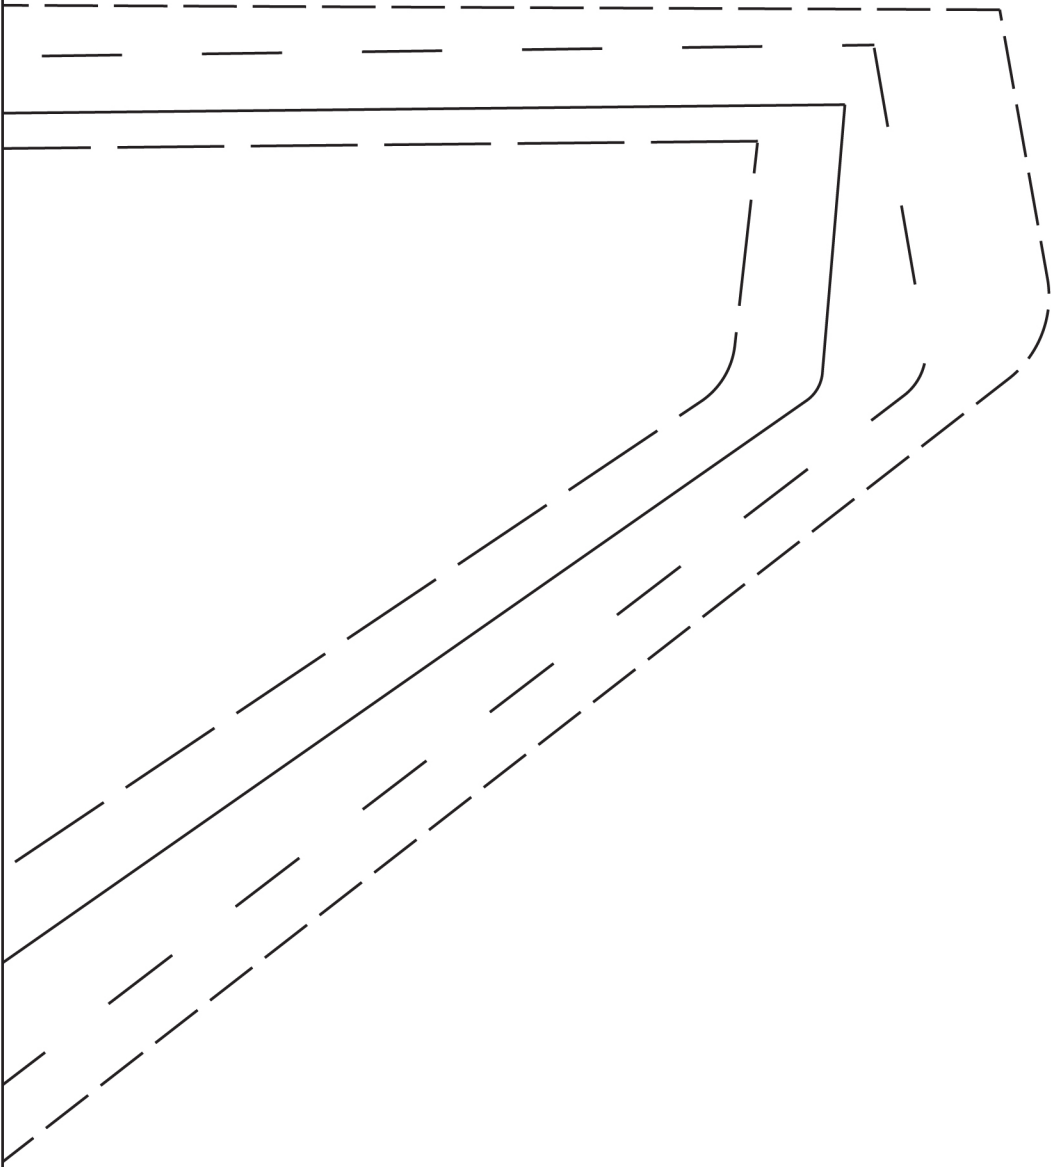

- SMALL
- MEDIUM
- — — — LARGE
- - - - - X-LARGE

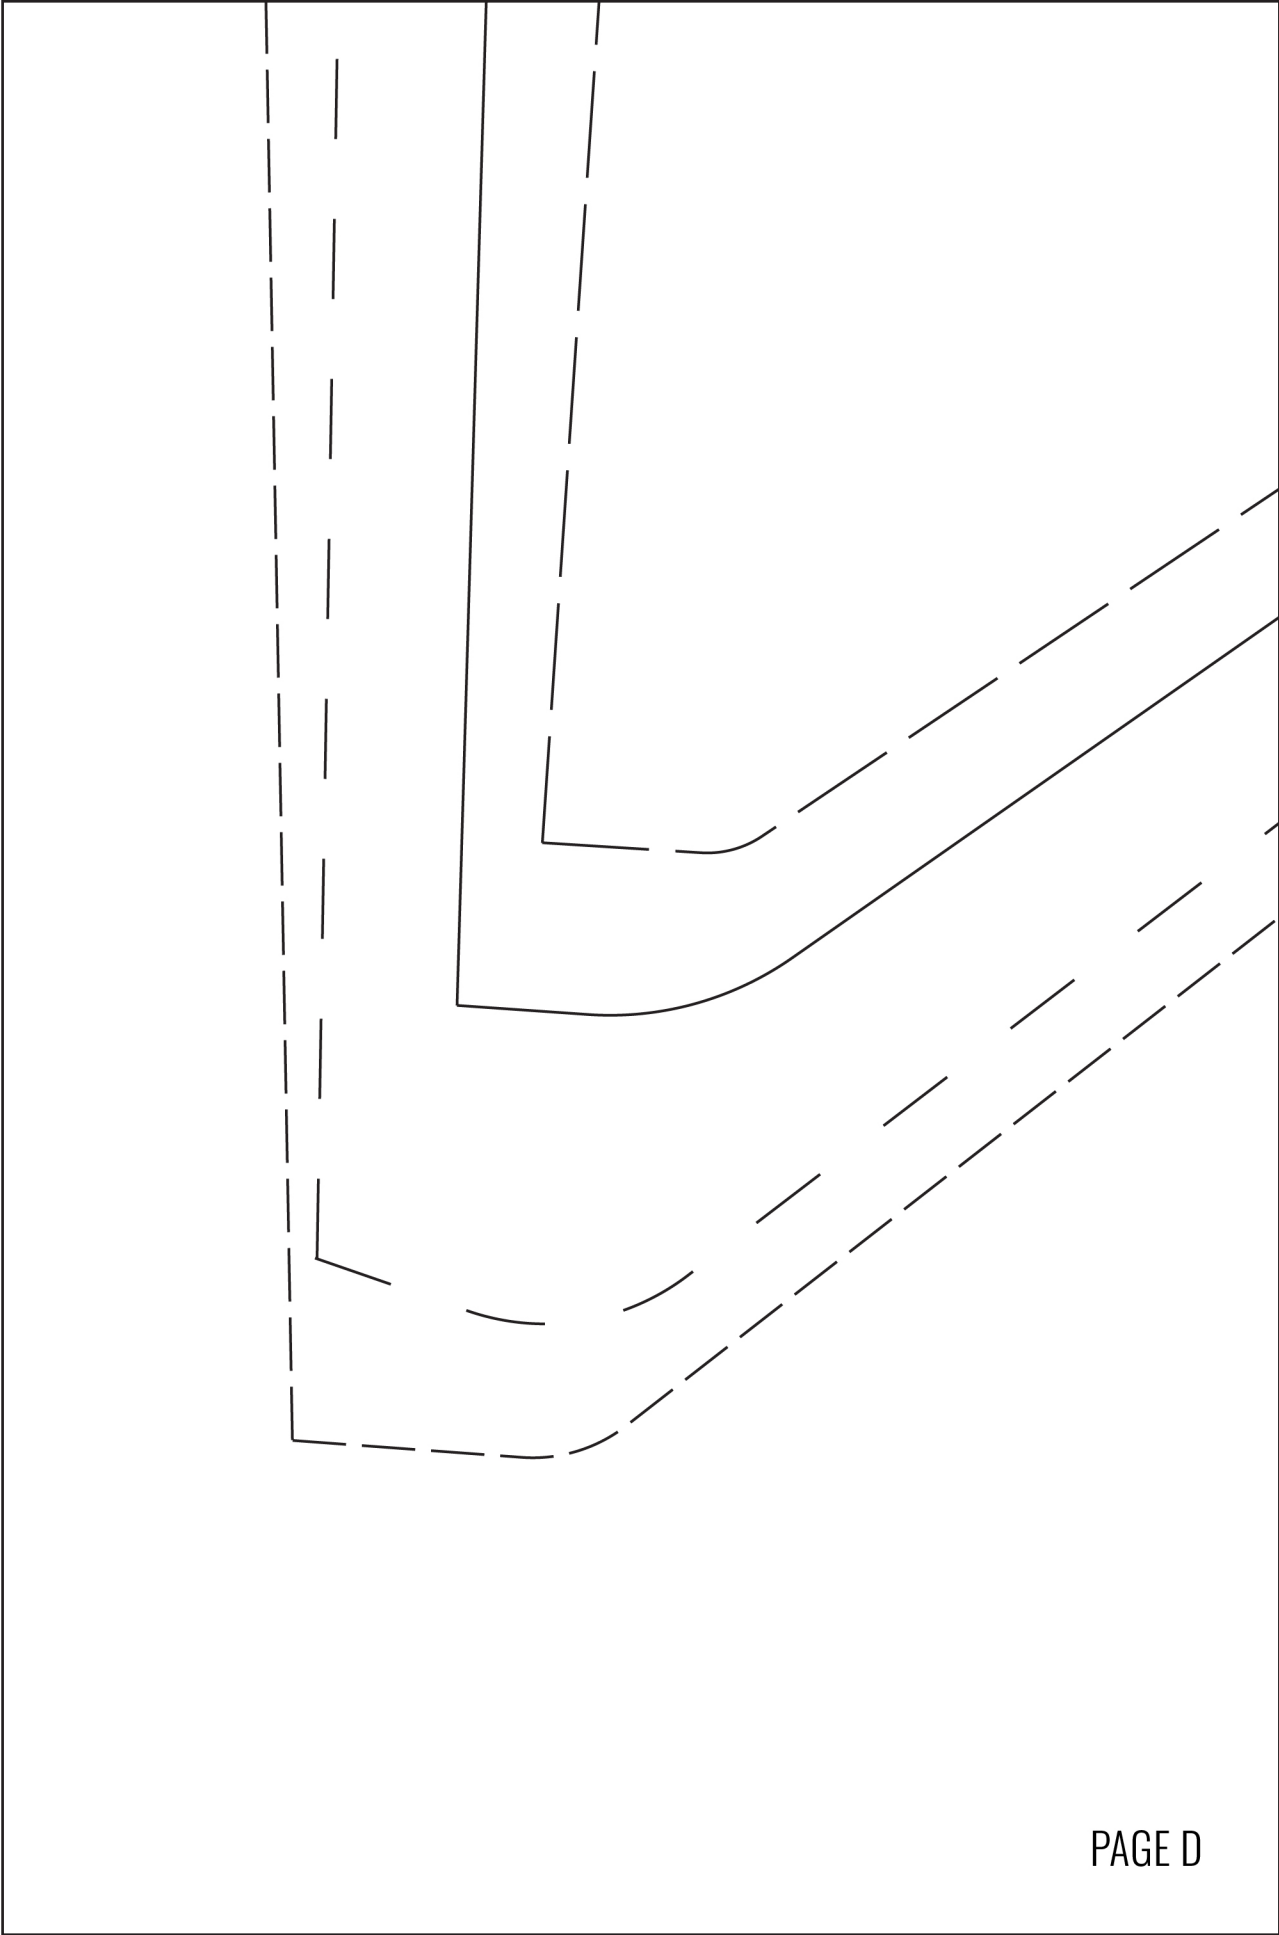

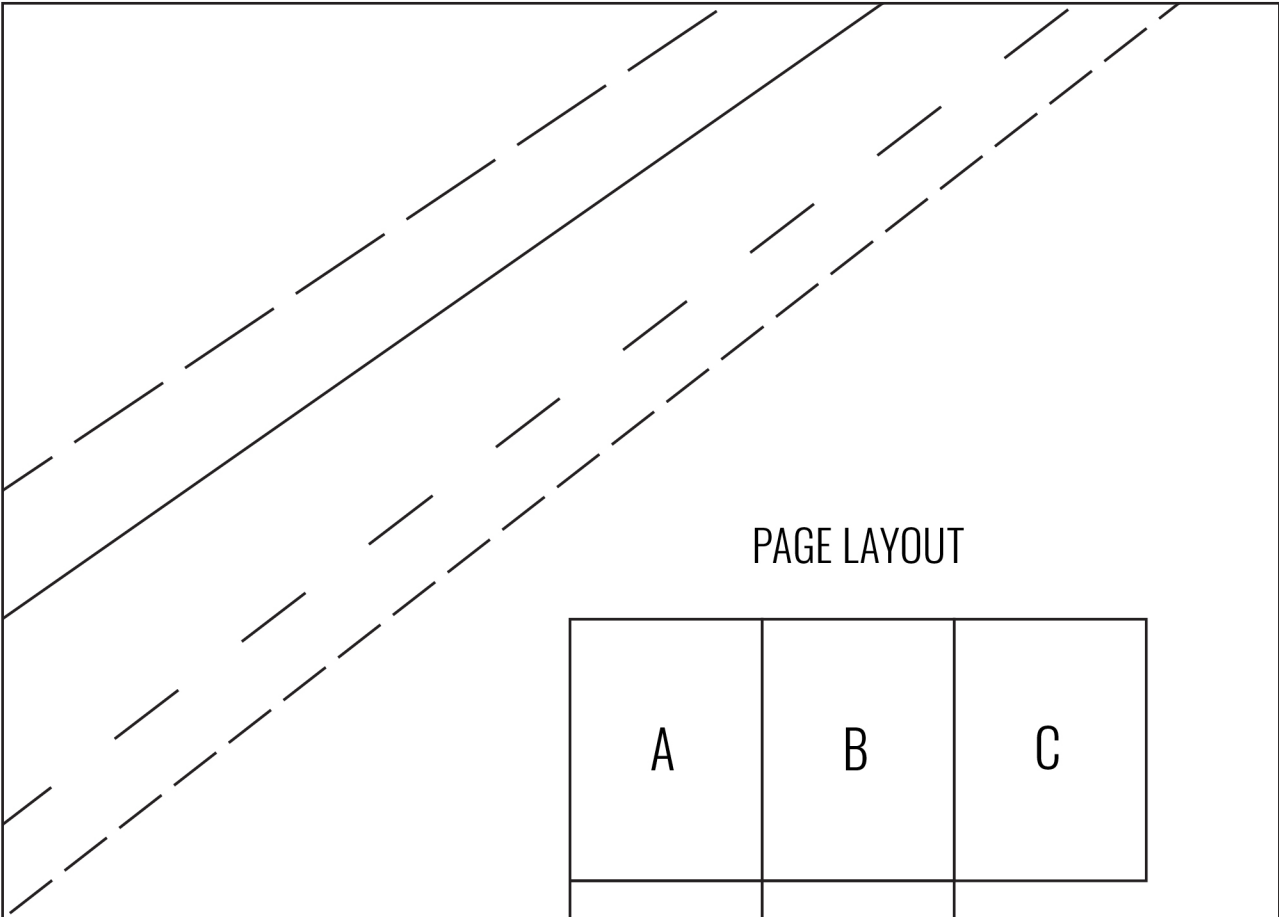

Are you right on the line between sizes? We advise sizing down instead of sizing up. These sizing diagrams are meant to be a tool, but keep in mind that fabric stretches and bags are hand sewn so there are small variances between each bag.

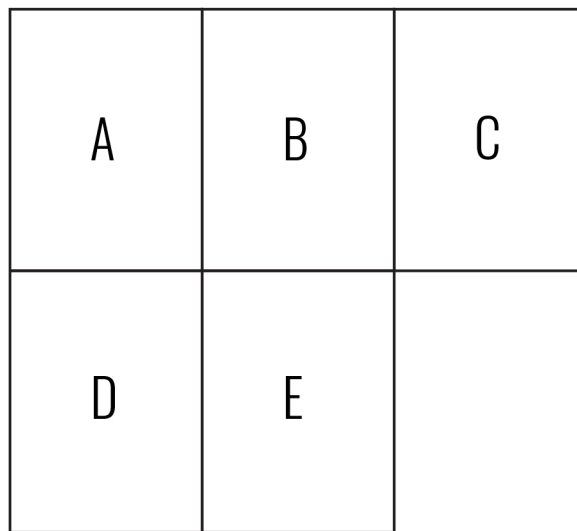

3" TEST SQUARE

### PAGE LAYOUT

### RIFTER FRAME BAG SIZING TEMPLATE

---

Print pattern at 100%; do not scale to fit paper. Before cutting, measure the 1"x1" test square on page (A) to make sure the pattern pieces are to scale. Cut or fold the excess paper around the borders and tape the pages together according to the diagram.
